## EXPERIENCE

Executive at CoReal Partners, Tanya supports the team across administrative, and project-related activities in the UAE.

Her role spans, documentation, managing project timelines, and follow-up on key actions, helping to ensure smooth day-to-day operations and coordination between management, external service providers, and other stakeholders.

Tanya assists in the preparation of information memorandums, teasers, presentations, and other marketing materials, and contributes to market and desk research, contact hunting, and CRM-related tasks that support business development.

Drawing on earlier experience in operations management, client care, real estate administration, and large-scale guest operations, she brings strong organizational skills, attention to detail, and a prompt, can-do approach to handling multiple workstreams.

## EDUCATION

Tanya holds a Bachelor of Commerce degree in Business Management and Cost Accounting from Goa University.
